# BE BOLD

PURSUE YOUR PASSION. PROCLAIM CHRIST.

# BOLDNESS

The exceptional men and women of the Bible are known for it. Boldness in faith. Boldness in action. Boldness in speech.

David confidently marched out to meet Goliath. Esther courageously approached the king to save her people. Peter fearlessly proclaimed salvation in the name of Jesus Christ because it was better to obey God than men.

for the **WORD OF GOD** and the  
**TESTIMONY** of **JESUS CHRIST**

## NOW IT'S YOUR TURN.

Will you follow Christ with boldness?

Cedarville University professors and staff members will come alongside and challenge you to achieve the great things God has in mind for you.

Let's pursue Him boldly.

**"I am NOT  
ASHAMED  
of the  
GOSPEL"**  
(Rom. 1:16)

In a national survey, students ranked **Cedarville No. 1**  
in commitment to academic excellence.

“

*I have the joy of watching students grapple with content, connect what they are learning, and use Scripture to evaluate ideas and theories.*

*My high expectations challenge and engage — and yes, sometimes stress — students, but they rise to those expectations! I give the support they need to succeed, then watch and celebrate their accomplishments when they finish well.*

**Deborah Haffey, Ph.D.**

Senior Professor of Communications

# INSPIRING ACHIEVEMENT

Our faculty members do more than teach — far more!

Cedarville professors are award-winning composers, former U.S. diplomats, retired four-star Air Force generals, marketing consultants to Fortune 100 companies, and brand developers for Disney, GM, and Target ... just to name a few of their professional experiences.

They also love spending time with family, serving their churches, walking their dogs, hiking, running, hunting, riding motorcycles, gardening, and reading mystery novels.

These humble, highly credentialed, and accomplished men and women invest their lives at Cedarville because they're passionate about Jesus, their areas of research, and students like you.

In every class, they will mentor, coach, encourage, and challenge you toward personal, professional, and spiritual growth. Our student-to-faculty ratio of just 16:1 creates the framework for these dynamic interactions.

Cedarville professors will inspire you to look at each discipline and ask “What does the Bible have to say about this?” We call this teaching process *biblical integration*. When you graduate from Cedarville, you will call it life transforming!

“Do not conform to the pattern of this world, but **BE TRANSFORMED** by the renewing of your mind. Then you will be able to **TEST AND APPROVE** what God’s will is — His good, pleasing, and perfect will.” (Rom. 12:2)

# A HEART FOR THE GOSPEL

At our popular daily chapels, world-renowned guest speakers along with our President and top faculty members will inspire you to follow Jesus with excellence. Add incredible worship and the powerful sense of community, and it's no surprise that Cedarville students rate chapel as one of their favorite experiences.

Regardless of major, all students also take five practical Bible courses, leading to a minor. You will be stretched to think about yourself, your world, and your future through a bold, biblical perspective. In fact, Cedarville University was named one of the 15 best colleges for studying the Bible by TheBestSchools.org.

*It's been great being able to put into ministries here, but I've gotten so much out of those ministries myself. I've learned a lot and just grown in my walk with God.*

“Enable your servants to  
speak Your word with  
**GREAT BOLDNESS.**”  
(Acts 4:29)

## WHERE WILL YOU GO?

Learning to live for Jesus goes way beyond the classroom. You'll be challenged to get involved in ministry — here in our community and short term overseas. During the last four decades, more than 6,000 students, faculty, staff, and alumni have served in more than 91 countries. These are journeys with divine purpose, where Cedarville students are supporting missionaries and nationals, sharing the message of Christ, discipling believers, and building the Church worldwide.

Proclaiming our faith locally and globally — that's Cedarville's approach to outreach.

# LIFE TOGETHER

God uses Christian community to encourage and shape our walk with Christ. One of the most valuable parts of a Cedarville education is the lifelong friendships that grow while you are here.

Cedarville is a place of refuge, filled with people who are ready to listen and quick to offer encouragement. We commit to love each other and to serve one another with humility and personal sacrifice.

Cedarville offers many ways to be part of a community, whether it's our discipleship groups, NCAA Division II athletics, exceptional intramural program, 70 extracurricular organizations, or 150 outreach ministries. All promote and advance our Core Values: Love for God, Love for Others, Integrity in Conduct, and Excellence in Effort.

# ACHIEVE YOUR GOALS

Fortune 500 companies, top government agencies, and educational institutions recruit our graduates because of their career preparation, high-level integrity, and incredible work ethic. Even when the job market is tight, a Cedarville education opens doors to the biggest stages in the U.S. and the world.

You'll find Yellow Jackets at NASA, Rolls-Royce, the Mayo Clinic, Honda, Procter & Gamble, the NFL, Boeing, the FBI, SmithKlineGlaxo, Microsoft, Amazon, and Ernst & Young. They're

pursuing graduate degrees at Case Western Reserve University, The University of Chicago, Georgetown, Cornell, and Harvard.

Cedarville will help you graduate on time, too. In 2013, Cedarville's strong graduation rate was among the top five in *U.S. News & World Report's* rankings of Midwest regional colleges. Finishing your degree in four years or less means big savings on college costs ... and you will be making a difference in the marketplace sooner.

*The hands-on training, direction from professors, and connections in my career field helped me get the job I have today! I confidently share what I believe every day on the radio because I had great classes that helped me dig into my faith. The environment of Cedarville helped me develop into the woman of God that I am today.*

**Joy McBride '10**  
WAY-FM Radio Host

Last year, Cedarville placed **100% of students** in music, engineering, allied health, English, and social work majors.
